

REDUN

From March 2021 to December 2021 I helped facilitate weekly meetings in Nelson and bi-weekly meetings in Trail. I only went to Grand Forks a couple times while in this position. We have roughly 100 members across the region. Below are some of the events we hosted or took part in.

- Hosted weekly/ bi weekly meetings
- REDUN presented to Selkirk college social work class
- Attended DULF meetings
- Weekly outreach/ community cleans. Received additional funding through CBT for this
- Attended Moms stop the Harm presentation
- Organized April 14th demonstration
- Staff peer capacity training workshop
- REDUN members did consultation with coordinated access HUB
- REDUN went to city council re. Moms stop the harm petition calling for nationwide acknowledgement of public health emergency.
- Staff did a Gabor Mate trauma and addiction course
- OERC zoom
- strategic planning
- BCCSU conference
- NFTF
- Offered many surveys to member through various organizations/ networks etc
- Worked on REDUN policy
- Helped organized International OD awareness day
- Participated in provincial peer network meetings
- Participated in interior peer network meetings
- Naloxone trainings
- FNHA presentation- zoom
- Drug user coalition zooms
- BBI workshop
- Applied for funding through CAI
- Mental health first aid training
- CAT knowledge exchange
- Xmas dinners
- CWF sex work group organization
